

PTA Reflections Program 2009-2010
Theme "Beauty is..."

What:

The PTA Reflections Program has been run nationwide for 40 years. Reflections is an opportunity for students in preschool through grade 12 to create works of art for fun and recognition. The 6 categories include literature, musical composition, photography, visual arts, dance choreography, and film production.

When and where:

Entries at GHHMS are due December 18, 2009 (note earlier due date than in past). Entries can be brought to the office. GHHMS Show to be held January 19 at 7:00 PM (snow date Jan. 20). The top 3 entries in each category go to state judging. NH State Show to be held March 15 from 6:00 to 8:00 (snow date March 16) at GHHMS.

Who:

Any interested student can participate, but their entry must be entirely their own work, without advice or corrections from parents, teachers or peers. Their entry must be inspired by the theme "Beauty is..." and may not be a previously created work.

How:

We need the help of language arts, music, and art teachers to consider making this an assignment (can be done for extra credit). If you collect many entries, it is acceptable for you to screen them and submit the better quality entries only. All advisory teachers may help promote the program by encouraging students who are inclined toward the arts. Rules and entry forms are available on the bulletin board next to Kathleen's desk and at www.nhpta1.org.

Why:

To enhance the arts education of GHHMS students!
